Hello everyone!

I hope you enjoy looking at the photo albums that I've put together. Please note that these photos of 95th Bomb Group B-17s and their nose art are in numerical order. *(by the serial number.)*

If you have any photos that you'd like added to these albums, please send a copy to me (or e-mail it to me in .jpg format) using the information above.

If you'd like a copy of any of the pictures in this album, just let me know and I'll be happy to make a copy and mail it to you.

One last note....please be aware that these albums are "Works In Progress"....if you have sent me pictures, and you don't find them in any of the books, it is only because I have not had time to add them. Please be assured that I will get your photos into these books just as soon as I possibly can.

Again, I hope you enjoy the photos. I'd appreciate your feedback on the work I've done to preserve these precious pieces of 95th Bomb Group history.

Sincerely,

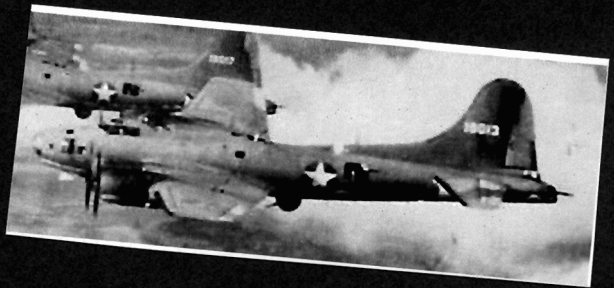

Helynn Schufletowski
